I – Call to Order

1. The Chairperson may call the meeting to order only if a quorum of executives and non-executive general members is present in person. If a quorum does not exist, the meeting is not qualified to conduct business. A general member may not appear by proxy or mail ballot.
2. The meeting must be open to all applicable general members. General members must receive notice of the meeting in accordance with the Constitution.

II – Review of the Agenda

1. The first draft of the agenda is prepared by the Chairperson prior to the meeting. Agenda items should ordinarily appear in the order set forth in these rules of order.
2. The agenda belongs to all general members. The agenda may be modified only by a majority vote. This power should only be used when necessary as proper functioning of meetings and the organization requires advance planning.
3. At this point in the agenda, general members may add or delete items from the agenda and may change the order of presentation.
4. When possible, changes to the agenda should be done by acquiescence of all general members. Formal voting on the agenda is only necessary where it appears to the Chairperson that there is a disagreement.

III – Approval of Previous Minutes

1. The minutes need not be read aloud but they should be entered into the organization's official minute ledger upon approval by the general membership.
2. The minutes are prepared by either the secretary or some other individual appointed by the general membership to act as recording secretary. Any general member may suggest changes to the minutes before the general membership adopts them. The suggested changes should be set forth in the minutes for the record, and then the general membership should adopt or reject such changes.
3. Minutes should state precisely each motion considered by the general membership, and identify the general members voting in favour, against, or abstaining, and whether the motion was carried. Minutes need not reflect the comments made except in those instances when the member desires to make his/her comments recorded.

IV – Executive Reports

1. Executives may report their findings or recommendations to the general membership at this point of the agenda.
2. The full report should be presented and then general members, in turn, may ask questions or comment. It is not appropriate to make motions or discuss items of business during this portion of the meeting.
3. This time should also be used for any presentations to be made to the general membership.

V – Open Forum

1. It is the custom and practice of most organizations to allow general members an open forum to ask questions and speak about their concerns to an executive after a report has been provided.
2. Strict time limitations should be imposed by the Chairperson and these limitations must be enforced. Each general member should address the Chairperson regarding an issue and must speak courteously and to the point.

VI – Old and New Business

1. All items that were tabled during previous meetings must be revisited during the business portion of the agenda occurring after executive reports.
2. The general membership may vote to postpone consideration of any old business or it may remove any item from consideration.
3. Except in the case of emergency business, all new items of business are heard only after all of the old items have been addressed by the general membership.
4. All business must be conducted in the form of motions or resolutions adopted by a vote of the general membership.

VII – Motions and Deliberations

1. When an item of business is to be discussed, the Chairperson announces the item to be discussed and opens the floor to discussion.
2. No general member may speak until recognized by the Chairperson. No general member may interrupt the speaker who has the floor.
3. The Chairperson may impose reasonable time limitations. All time limitations must be uniformly imposed upon all of the general members. The speaker shall be given a one-minute warning before time runs out. By vote of a majority of the general membership, time limits may be extended.

5. No general member may speak to an issue for a second time until all other general members have had the opportunity to speak to it for the first time. Likewise, no general member may speak to an issue for a third time until all other general members have had the opportunity to speak to it for a second time.

3. After the general membership has had the opportunity to discuss each motion presented for consideration, the Chairperson will call each motion presented to a vote.
4. The fact that a motion has been adopted or failed does not prevent the item of business from being added to the agenda in the future and all motions may be reconsidered at any time by the general membership.
